MOORESVILLE – The public is invited to help develop Iredell’s section of the Carolina Thread Trail, a network of trails and greenways linking 15 counties in the Carolinas.

The trail will offer opportunities for biking, hiking, fishing, paddling and connecting with nature.

Residents can share input through surveys and a series of public meetings, such as one taking place Thursday, July 15, from 7 to 8:30 p.m. at the Lowe’s Family YMCA, 170 Joe V. Knox Ave.

The county hopes to have a publicly adopted master plan that identifies routes through the county and where they connect to the broader trail, as well as develop an schedule for creating the county’s part of the trail.

Details: Ron Smith, planning and development director, 704-832-2322 or [rsmith@co.iredell.nc.us](mailto:rsmith@co.iredell.nc.us).
