## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of  
Catawba Lands Conservancy  
Charlotte, North Carolina

### **Report on the Financial Statements**

We have audited the accompanying consolidated financial statements of Catawba Lands Conservancy, (the Conservancy – a not-for-profit organization), which comprise the consolidated statement of financial position as of December 31, 2014 and 2013, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors of  
Catawba Lands Conservancy  
Charlotte, North Carolina

**Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Conservancy as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated May 29, 2015, on our consideration of Conservancy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Conservancy's internal control over financial reporting and compliance.

C. Dewitt Ford & Company, P.A.

# ***Catawba Lands Conservancy***

## **Notes to Financial Statements**

**December 31, 2014 and 2013**

---

### **NOTE 1 – NATURE OF OPERATIONS**

#### *Catawba Lands Conservancy*

Catawba Lands Conservancy (the “Conservancy”) is a non-profit organization dedicated to acquiring and preserving environmentally, historically, or culturally significant lands for open space, recreation, or protection of natural resources. The Conservancy principally preserves land tracts located in the North Carolina Catawba River Basin and the Southern Piedmont of North Carolina. The Conservancy is also responsible for the perpetual management and stewardship of properties owned and the monitoring and enforcement of conservation easements. The Conservancy is also involved in facilitating the acquisition of conservation easements that are deeded to other parties, such as the State of North Carolina.

#### *Hickory Grove Rental Home, LLC*

Hickory Grove Rental Home, LLC is a single purpose entity founded in December 2013 to facilitate rental of donated property located on Hickory Grove Rd, Gaston County, North Carolina. The Conservancy is the sole member of the LLC.

#### *Principles of consolidation*

Due to common control, as described above, the accompanying consolidated financial statements include the activities of both entities. All significant inter-company accounts and transactions have been eliminated. The concept of consolidation for financial statement purposes ignores the legal concept of separate entities. The LLC recognized no revenue or expenses during the year ended December 31, 2013. During the year ended December 31, 2014, the change in net assets by individual entity was increase in net assets of \$416,892 for the Conservancy and \$4,610 for the LLC.

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### *Basis of presentation*

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Unrestricted net assets* – Net assets can be both undesignated and designated in nature. Undesignated, unrestricted net assets are those currently available for use in the day-to-day operation of the Conservancy and those resources invested in property and equipment. From time to time, the Board of Directors may designate certain amounts to be utilized or invested to meet specific objectives of the Conservancy. Such amounts, as well as property acquired for preservation, are reflected as unrestricted, designated net assets in the accompanying statement of financial position.

---

## ***Catawba Lands Conservancy***

### **Notes to Financial Statements**

**December 31, 2014 and 2013**

---

#### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued**

*Temporarily restricted net assets* – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Conservancy and/or the passage of time. When a restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

*Permanently restricted net assets* – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Conservancy. Generally, the donors of these assets permit the Conservancy to use all or part of the income earned on any related investments for general or specific purposes. At December 31, 2014 and 2013, the Conservancy had no permanently restricted net assets.

#### *Public support and grant revenue*

The Conservancy relies heavily upon various grants and public contributions to assist in the accomplishment of its preservation mission. Changes in economic conditions may directly affect a grantor's ability and willingness to make future contributions. Generally, grant funds made available to the Conservancy are utilized to accomplish specific objectives of the grantor and the Conservancy. Such grants contain specific criteria governing the expenditure of such funds. As a condition of the grant, the Conservancy agrees to fully utilize the funds in a manner as prescribed by the underlying grant agreement. Any noncompliance with the specific terms of the grant may result in funds being returned to the grantor and any reductions in grant funding could adversely affect the operations of the Conservancy.

#### *Donated property*

Property received as a gift is recorded at its estimated fair value on the date of the donation. Such donations are reported as unrestricted support unless the donor has restricted the use of the donated asset to a specific purpose. Donated property amounted to \$442,747 and \$1,566,760 for the years ended December 31, 2014 and 2013.

#### *Donated conservation easements*

Conservation easements received as a gift are recorded at the estimated change in the market value of the associated property before and after the imposition of the easement. At that time, the Conservancy also records a like amount as an expense since the conservation easements have no future economic benefit to the Conservancy. Donated conservation easements amounted to \$1,320,720 and \$30,752,229 for the years ended December 31, 2014 and 2013.

---

# ***Catawba Lands Conservancy***

## **Notes to Financial Statements**

**December 31, 2014 and 2013**

---

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued**

#### ***Donated services***

The Conservancy records donated services as contributions when the services either create or enhance nonfinancial assets or would be purchased if they had not been provided by contribution, require specialized skills, and are provided by individuals possessing those skills. A number of unpaid volunteers, who serve in the capacity of Board members and various other volunteers, have made significant contributions of their time to assist the Conservancy in achieving the goals of its programs. The value of this contributed time is not reflected in these financial statements since it does not meet the above recognition criteria.

#### ***Cash and cash equivalents***

The Conservancy considers highly liquid investments with a maturity of three months or less when purchased to be cash equivalents, except for those short-term investments managed as part of investment management strategies.

#### ***Allowance for doubtful accounts***

Management's assessment of the collectability of receivables is based on a review of individual accounts, historical experience, and current economic conditions. Based on the underlying nature of the receivables at December 31, 2014 and 2013, management believes any allowance for uncollectible receivables is not material to the financial statements taken as a whole.

#### ***Property and equipment***

Property and equipment is stated at cost if purchased or estimated fair value at date of receipt if donated, subject to a \$500 capitalization threshold. Depreciation is provided over the estimated useful lives of the assets and is computed on the straight-line method. The costs of major improvements are capitalized while the costs of maintenance and repairs, which do not improve or extend the useful life of the respective asset, are expensed when incurred. The cost and accumulated depreciation of property and equipment are eliminated from the accounts upon disposal and any resulting gain or loss is included in the changes in net assets in the period during which the disposition occurred. During the year ended December 31, 2014, the Conservancy disposed of property and equipment recognizing a loss of \$25,775.

#### ***Investments***

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued in the statement of financial position at their fair value. Fair value is determined by reference to exchange or dealer-quoted market prices. If a quoted market price is not available, fair value of securities is estimated using quoted market prices. If a quoted market price is not available, fair value of securities are reflected as investment gains or losses in the accompanying statements of activities.

#### ***Beneficial interests***

The Conservancy recognizes its interest in assets held by other not-for-profit organizations (the Community Foundation of Gaston County, Inc. and Foundation for the Carolinas) for the sole benefit of the Conservancy. These assets are available to the Conservancy for acquisition and stewardship of property easements and are recorded as investments on the Statement of Financial Position.

---

## ***Catawba Lands Conservancy***

### **Notes to Financial Statements**

**December 31, 2014 and 2013**

---

#### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued**

##### *Land held for sale*

The Conservancy has received donations of land, which the Conservancy intends to sell. The proceeds from these sales will be available for the general operations of the Conservancy. The land held for sale is recorded at its fair value at the date of donation, which approximates its fair value at December 31, 2014 and 2013.

##### *Property and easements acquired for preservation*

The Conservancy may acquire certain property and/or conservation easements through purchases as well as through donor contributions. Donors generally contribute deeds to property and/or conservation easements. Conservation easements are legal agreements in which the landowner gives up some of the rights to their land, such as development, but retains ownership and management of the property. The conservation easements are permanent and run with the land to successive owners. Contributions are recorded at the estimated fair market value of the property or easement taking into consideration the fact that the lands' use may be severely limited based on the intent to preserve the property in its undeveloped state. Based on these facts, the values of easements shown in the accompanying Statement of Activities are based on management estimates. During the year ended December 31, 2014, the Conservancy placed a conservation easement on land held for preservation resulting in an extinguishment of developing rights of \$168,076. The property with conservation easement was then sold to another exempt organization resulting in a loss on disposal of \$69,076. In addition, during the year ended December 31, 2014, the Conservancy transferred two properties held for conservation to other exempt organizations and as a result recognized a loss on disposal of \$158,630.

##### *Income tax status*

The Conservancy is exempt from Federal income tax under Internal Revenue Code Section 501(c)(3) with respect to its exempt function income. The Conservancy is not a private foundation as defined by Section 509(a) of the Internal Revenue Code.

##### *Functional allocation of expenses*

Expenses are allocated to program services, management and general, and fund raising based on management's estimates of time spent and various allocation methods appropriate to the type of expense.

##### *Use of estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

---

**Catawba Lands Conservancy****Notes to Financial Statements****December 31, 2014 and 2013**

---

**NOTE 3 – GRANTS AND OTHER RECEIVABLES**

Total grants and other receivables were as follows at December 31:

	<u>2014</u>	<u>2013</u>
Grants receivable	\$ 124,659	\$ 754,537
Other receivables	<u>6,212</u>	<u>5,871</u>
TOTAL	<u>\$ 130,871</u>	<u>\$ 760,408</u>

**NOTE 4 – INVESTMENTS**

The fair value of investments was as follows at December 31:

	<u>2014</u>	<u>2013</u>
Money market funds	\$ 25,546	\$ 21,640
Equity mutual funds	1,469,141	1,023,409
Debt mutual funds	584,318	478,799
Land held for sale	50,000	50,000
Beneficial interest in trusts	11,904	11,612
Fixed income	84,368	-
Real assets	<u>16,543</u>	<u>-</u>
TOTAL	<u>\$ 2,241,820</u>	<u>\$ 1,585,460</u>

These investments, other than the land held for investment, are insured by the Securities Investor Protection Corporation up to \$500,000. The Conservancy invests in a variety of investments, which are subject to fluctuations in market values and expose the Conservancy to a certain degree of investment risk.

**Investment earnings**

Investment earnings for the year ended December 31, 2014 and 2013 is summarized below:

	<u>2014</u>	<u>2013</u>
Interest and dividend income	\$ 39,063	\$ 29,249
Realized and unrealized gains on investments	<u>127,119</u>	<u>209,219</u>
TOTAL	<u>\$ 166,182</u>	<u>\$ 238,468</u>

---

## Catawba Lands Conservancy

### Notes to Financial Statements

December 31, 2014 and 2013

---

#### NOTE 5 – PROPERTY AND EQUIPMENT

Property and equipment consists of the following as of December 31:

	2014	2013
Office equipment	\$ 154,693	\$ 161,222
Property improvements	793,680	693,945
Buildings	68,746	68,746
Total Property and Equipment	1,017,119	923,913
Less - accumulated depreciation	(256,889)	(212,528)
PROPERTY AND EQUIPMENT, NET	<u>\$ 760,230</u>	<u>\$ 711,385</u>

#### NOTE 6 – DEBT

##### Line of credit

The Conservancy also maintains a \$1,250,000 secured line of credit agreement with another financial institution. The line of credit bears interest at the rate of LIBOR plus three percent and is collateralized by deeds of trust on various tracts of land owned by the Conservancy. The Conservancy did not utilize the line of credit during 2014 and 2013.

##### Note payable

The Conservancy financed a property acquisition by entering into a note agreement dated December 27, 2013 with The Conservation Fund for \$425,000. The outstanding balance as of December 31, 2013 of \$425,000 is due in its entirety along with accrued interest, at a rate of 3 percent annually, on December 27, 2016. The note payable of \$425,000 and accrued interest of \$3,144 were paid to The Conservation Fund in January 2014.

#### NOTE 7 – OPERATING LEASES

The Conservancy has entered into non-cancelable operating lease agreements for office space, which is owned by a board member of the Conservancy, and a copier. Lease payments actually made during 2014 and 2013 were \$45,393 and \$63,454, respectively, for office space and \$11,939 and \$10,042, respectively, for the copier. Future minimum payments are due under operating leases during:

Year ending December 31:

2015	\$ 60,474
2016	71,451

## Notes to Financial Statements

December 31, 2014 and 2013

---

### NOTE 8 – RETIREMENT PLAN

The Conservancy maintains a SIMPLE-IRA plan, as described in Internal Revenue Code Section 408(p), for the benefit of its employees. Employees can make pretax contributions to the plan and the Conservancy can make matching or discretionary non-elective contributions on behalf of its employees. The Conservancy made matching contributions of three percent of eligible participants' salaries, which amounted to \$13,224 in 2014 and \$12,196 in 2013.

### NOTE 9 – NET ASSETS

#### Board designated, unrestricted net assets

The Board of Directors of the Conservancy has elected to set aside the investment income on contributions received for the future stewardship and legal defense of land and easements that it owns. At December 31, 2014 and 2013 the total of these funds was \$835,790 and \$698,742, respectively. In addition, funds were designated for preservation of property at December 31, 2014 and 2013 of \$192,731 and \$60,754, respectively. At December 31, 2014 and 2013, \$20,756 and \$11,044, respectively, was designated for property improvements.

The Board of Directors has also set aside land for its conservation efforts. At December 31, 2014 and 2013, this land is carried on the financial statements at \$20,269,037 and \$20,141,098, respectively.

#### Temporarily restricted

Funds that have been received by the Conservancy for a particular purpose or period of time that have remaining restrictions at December 31, 2014 and 2013 are detailed as follows:

	<u>2014</u>	<u>2013</u>
Time Restricted:		
Mecklenburg County	\$ 23,250	\$ 23,250
The Blumenthal Foundation	20,000	30,000
Southern Spring Show	39,500	-
The John W. Harris Family Foundation	4,000	6,000
Total Time Restricted	<u>86,750</u>	<u>59,250</u>
Unutilized Funds:		
Stewardship and legal defense	1,050,662	1,046,062
Wal-mart grant	15,000	15,000
Seven Oaks	1,000	-
Fish and Wildlife	-	117
Carolina Thread Trail	102,406	312,894
Total Unutilized Funds	<u>1,169,068</u>	<u>1,374,073</u>
TOTAL TEMPORARILY RESTRICTED NET ASSETS	<u>\$ 1,255,818</u>	<u>\$ 1,433,323</u>

## *Catawba Lands Conservancy*

### Notes to Financial Statements

December 31, 2014 and 2013

---

#### NOTE 10 – IN-KIND CONTRIBUTIONS

The Conservancy received non-cash contributions (other than land and easements) during the year ended December 31, 2014 and 2013, in the form of goods and services that are required to be recognized in the accompanying statement of activities. In-kind contributions are detailed as follows:

	<u>2014</u>	<u>2013</u>
Legal and professional services	\$ 3,497	\$ 30,961
Rental property	-	68,746
Office equipment	22,195	-
Small tools received	<u>3,698</u>	<u>772</u>
TOTAL	<u>\$ 29,390</u>	<u>\$ 100,479</u>

#### NOTE 11 – CONCENTRATIONS OF RISK

##### Geographic area

The Conservancy operates in a limited geographic area, and is therefore sensitive to changes in the local economy.

##### Cash in excess of insured limits

The Conservancy occasionally maintains cash balances in excess of insured limits. At December 31, 2014, the uninsured balance of cash was \$742,398. However, management believes that the risk related to the accounts is minimal because of the credit worthiness of the financial institutions.

#### NOTE 12 – FUNCTIONAL EXPENSES

The Conservancy's activities are focused in three functional areas. Program services represent the primary focus of the Conservancy's activities. Supporting services are fundraising activities and general and administrative activities. The costs of providing the various programs and other activities for the year ended December 31, 2014 and 2013 are summarized on a functional basis below. Certain costs have been allocated among the program and supporting services benefited.

	<u>2014</u>	<u>2013</u>
Program services - public services	\$ 3,864,879	\$ 32,892,147
Supporting services -		
Fundraising	136,767	111,318
General and administrative	<u>111,525</u>	<u>117,240</u>
TOTAL	<u>\$ 4,113,171</u>	<u>\$ 33,120,705</u>

### **Notes to Financial Statements**

**December 31, 2014 and 2013**

---

#### **NOTE 13 – FAIR VALUE MEASUREMENTS**

Generally accepted accounting principles require fair value of financial instruments to be determined based on the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants. It establishes a three-level valuation hierarchy based upon observable and unobservable inputs, as follows:

Level 1 - Fair value is based on quoted prices in active markets for identical assets or liabilities.

Level 2 - Fair value is based on observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Fair value is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The Conservancy has segregated its financial instruments into the most appropriate level within the fair value hierarchy at December 31, 2014, as follows:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments:				
Mutual funds	\$ 1,849,062	\$ 1,849,062	\$ -	\$ -
Community Foundation funds	342,758	-	-	342,758
Land held for sale	-	-	-	50,000
<b>TOTAL</b>	<b><u>\$ 2,191,820</u></b>	<b><u>\$ 1,849,062</u></b>	<b><u>\$ -</u></b>	<b><u>\$ 392,758</u></b>

The following table sets forth a summary of changes in the fair value of the Level 3 assets for the year ended December 31, 2014.

Balance, beginning of year	\$ 11,612
Net increase in value	20,735
Purchases, sales, issuances, and settlements (net)	<u>360,411</u>
Balance, end of year	<u><u>\$ 392,758</u></u>

#### **NOTE 14 – SUBSEQUENT EVENTS**

The Conservancy has evaluated subsequent events from the date of the statement of financial position through the date of the audit report which is the date the financial statements were available to be issued. During this period, no material recognizable subsequent events were identified.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of  
Catawba Lands Conservancy  
Charlotte, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the consolidated financial statements of Catawba Lands Conservancy (the "Conservancy"), which comprise the statement of financial position as of December 31, 2014, and the related consolidated statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 29, 2015.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Conservancy's internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Conservancy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Conservancy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors of  
Catawba Lands Conservancy  
Charlotte, North Carolina

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Conservancy's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Conservancy's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Conservancy's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

To the Board of Directors of  
Catawba Lands Conservancy  
Charlotte, North Carolina

### Report on Compliance for Each Major Federal Program

We have audited Catawba Lands Conservancy's (the "Conservancy") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement*, that could have a direct and material effect on each of the Conservancy's major federal programs for the year ended December 31, 2014. The Conservancy's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Conservancy's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Conservancy's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Conservancy's compliance.

### Opinion on Each Major Federal Program

In our opinion the Conservancy complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2014.

To the Board of Directors of  
Catawba Lands Conservancy  
Charlotte, North Carolina

Internal Control Over Compliance

Management of the Conservancy is responsible for establishing and maintaining effective internal control over compliance with the types of requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Conservancy's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Conservancy's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
