11TH ANNUAL CLAYS FOR CONSERVATION

Wednesday, April 30, 2025 | 8 AM-1 PM
Meadow Wood Farms | Waxhaw, NC

PROCEEDS SUPPORT SAVING LAND & CONNECTING LIVES TO NATURE

Escape the office and join us outdoors in idyllic surroundings for a morning of sporting clays to support land and water conservation.

Clays for Conservation raises funds to permanently protect the forests, fields and waterways that people and wildlife need to thrive. Rapid growth and skyrocketing land prices are making protecting land both more difficult and more urgent than ever. Once land is developed, we can't get back.

Your sponsorship ensures our region continues to have a great quality of life with clean and plentiful water, fresh air, habitat for wildlife, working farmland, and trails to get outside.
